New Pres. Sweetland

Grove Therapist Sweetland Elected County President

Althea M. Sweetland, 7738 Mt. Vernon St., last week was elected county president of the California Physical Therapy Assn., succeeding William D. Cottrell of San Diego.

Mrs. Sweetland has been a resident of Lemon Grove since 1933, having come from Hartford, Conn., where she began her career in physical therapy. She is the daughter of the late Dr. C. J. Carlson, the first president of the Connecticut state board of physical medicine examiners. She is the wife of O. W. Sweetland, leading Convair executive and the mother of two children, Suzanne, 12, and Fred, 25, Lemon Grove auto parts salesman.

Mrs. Sweetland is well known for her extensive practice in physical medicine in Lemon Grove and surrounding areas. She is a graduate of the National University of Therapeutics.

Gasco Office Moves to Main

San Diego Gas & Electric Company's new office in Lemon Grove will be opened for business Monday. It is located at 3358 Main St., between the Lemon Grove Drug store and the Lemon Grove Hardware.

The new office provides larger quarters for the transaction of the same customer services rendered previously. An added advantage will be the office's proximity to extensive parking facilities.

Formerly, it was at 3425 Imperial near the northeast corner of Broadway.

TOASTMASTERS WILL MEET TUESDAY

Glen Anderson, president of Lemon Grove Toastmasters club announces that the regular meeting of the club will be held Tuesday night at 7:30 at the Telephone Company conference room, 9125 Lamar St., Spring Valley.

LAND-USE ORDINANCES HAVE DAY

SPLIT-LOT VOTE KO'D; TRAILERS DEFERRED

Trailer Ordinance Held Up for State Proposal

SAN DIEGO (CNS)—A decision on a proposed trailer park ordinance was delayed until late June at a public hearing Tuesday before the County Board of Supervisors.

The Board voted the delay at the request of trailer park owners and spokesmen for trailer park associations, who crowded the Supervisors' meeting room, the halls and the Supervisors' conference room in a hearing that lasted from a little after two until almost five o'clock.

The state Legislature is considering a new trailer park law, Supervisors were told. The new legislation will be a complete re-write of existing laws, with the result that no county controls on trailer parks may be needed, it was stated.

The Legislature is slated to adjourn in mid-June, so the Supervisors continued their hearing to give time for study of any legislation that is passed.

The ordinance under consideration Tuesday is a compromise law drawn up by a citizens group working with county officials. It is the result of the protests made by trailer park people over an ordinance proposed a year ago.

One big difference in the two laws is that the current one designates a trailer park as a site where two or more trailers are maintained, while the previous law said one trailer made a trailer park.

Miss LG Deadline Nearing

Applicants for Miss Lemon Grove contest sponsored by the Junior Chamber of Commerce are urged to fill out entry blanks at the Lemon Grove Chamber of Commerce or The Barrett Insurance Co., 6925 North Ave., across from the Bowlero, by noon Monday, May 1.

Applicants are eligible if they live in the HOpkins exchanges of Spring Valley or Lemon Grove. Girls 18 and up may compete. Miss Lemon Grove Contest is not a preliminary for the Miss Fairest of the Fair contest, so girls may participate in both contests.

Final selection of Miss Lemon Grove will be made Thursday, May 4, by the Lemon Grove Junior Chamber at a location to be announced after Monday.

Superior Court Rejects Split-Lot Referendum

SAN DIEGO (CNS) — Lega' efforts to force the county to allow voters to decide if they want an ordinance controllin' land divisions failed Tuesda' in Superior Court.

Judge Eli H. Levenson u held the claim of the County Board of Supervisors that petitions for a referendum submitted by the Citizens Assn for Better Government were invalid.

The judge ruled that they had been submitted too late and that the ordinance, in addition, was not subject to referendum. He did uphold the citizens' group's claim that the fact that only slightly more than 4,000 of the petitions had the signers' precinct numbers was not a "fatal defect."

The case came before Judge Levenson on April 6, as the result of an alternate writ of mandate obtained by the association against the County Board of Supervisors. Presiding Judge William A. Glen ordered Supervisors to process the petitions or show cause why they had not done so.

Bertram McLees Jr., assistant county counsel, filed a demurrer for Supervisors, saying the petitions without precinct numbers were invalid, that the petitions should have been filed by January 6, instead of in March when they were filed, and that the matter was not subject to referendum, because Supervisors were acting under powers delegated by the State Legislature.

It was on this demurrer that Judge Levenson ruled Tuesday.

LG Band to March In Maytime Review

Ninety members of the Lemon Grove School Band will march in the fourteenth annual Maytime Band Review on Saturday, May 6, in National City. Beginning at 10:30 a.m., the event attracts top student bands from throughout the Southland.

Accompanying the band, which is under the direction of Harry Weisgerber, will be the majorette corps and the pom pom corps, composed of Lemon Grove Junior High seventh and eighth grade girls.

Last year the Lemon Grove Band won top honors in the junior high class. The majorettes also took first place, with the pom pom corps placing a close second in the competition.

New Drive on By C. of C. Business Group

Details are being worked out this week for a fund-raising event by the merchants' division of the chamber of commerce.

A Zoomatic camera will be given to a local participant on June 13 as the merchants' division award in the project.

Bill Sutherland, operator of Dena's, is in charge. He said that all local business firms would be given the chance to participate.

Bigger Budget Seen for L.G. School District

Lemon Grove elementary schools will have more expenses but probably very little more income during the 1961-62 budget year, Byron Netzley, school superintendent told the school board Monday night.

Additional facilities at Palm Junior High, Monterey Heights, Vista La Mesa and San Miguel schools will supply the added needs, he said.

The district's income last year was $1,690,000. Netzley said that the income would probably be $40,000 higher this year.

The board will spend several meetings in budget study.

Principals were named Monday night to serve in the district's summer school program. Clarence Allen will go to Golden Avenue; Douglas Giles and Betty Higgins will split the term at San Altos, and Al Lantz and Bob Sutton will share the term at Lemon Grove Junior High.

Airline Stewardess Carol Sewell

The Old Miss SV

With the "Miss Spring Valley of 1961" contest under way, the question came up recently, "What has happened to Miss Spring Valley of 1960?"

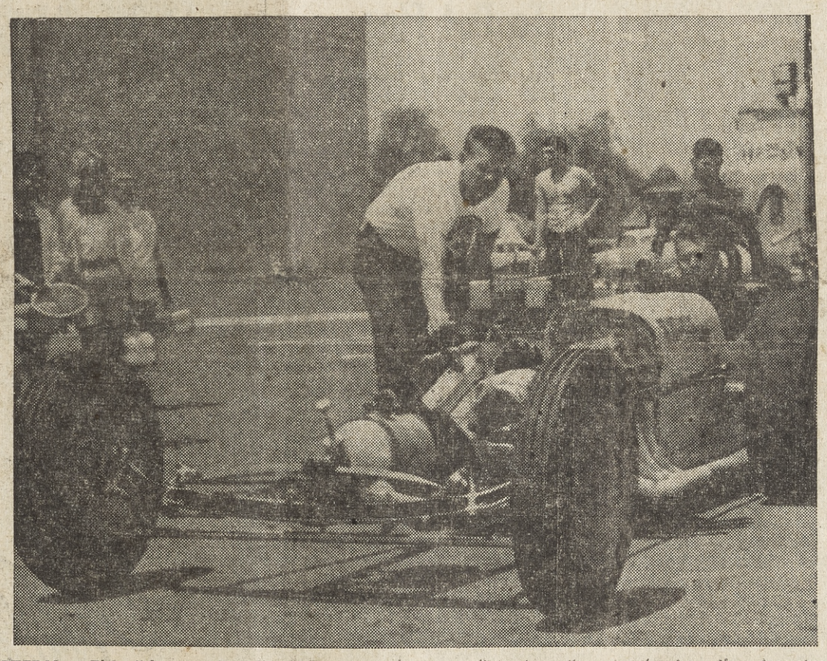

"Miss Spring Valley of 1960" or Miss Carol Sewell, daughter of Mr. and Mrs. James Sewell, 3310 Central, Spring Valley, is an airline stewardess for the Pacific Southwest Airlines (PSA), flying from San Diego, to Los Angeles and Glendale and on to San Francisco. Carol says she makes four or five flights a week and usually has an overnight stay in San Francisco, so she has a little time to "see the town."

The plane in which the former Miss Spring Valley flies is an electro-jet, carrying 96 passengers. Carol, who graduated from Mt. Miguel High School just last year, said she was quite fortunate to get her present job so soon. She was formerly with Linda's Dress Shops in Lemon Grove and Chula Vista.

"Miss Spring Valley of 1960" encourages more girls in the Spring Valley area to enter the "Miss Spring Valley of 1961" contest. She said her participation in the 1960 contest helped her out a great deal in getting her present job.

"The contest taught me a lot about how to meet and get along with people. And that is one of the biggest assets in holding down any position," said Miss Sewell.

Auto-Rama Draws Dragsters

SPEEDY — This "dragster" will attain a speed of 135 miles per hour in about 11 seconds, according to driver Richard Hartman, shown seated, who is co-owner of car. It was an entry in the second annual Auto-Rama held at the First National Bank's parking lot here in Lemon Grove Saturday. Standing is a fellow hotrod enthusiast, Carl Rosa.
The tank on the front part of the car is a 2½-gal. gas tank, which lasts only one-half of a mile. The importance of diminshed weight makes such a reduction necessary. The special solid tires are for the purpose of providing more "bite" or "traction" when the dragster is "digging out."
The power plant is a Chrysler 331 cubic incher with a six carb manifold. Twenty-one-year old Hartman described his feeling when he drives his dragster at a strip. "I get butterflies," he said, "and I watch the timing lights ahead. It's all over in about ten seconds. I love it." Another driver, Bob Moore, described his feeling as "just great." Not shown is co-owner of the car, Larry Williams.
In all, more than a dozen autos were on display.

The DIMMER VIEW

by MAX GOODWIN

The crisis in Laos is schedulled to be over this week and it was Russia doing the scheduling.

Russia's foreign affairs commissariat has the purpose, the flexibility and the determination to capitalize on any world activity involving the US and the USSR, thus, Russia will be presented to the unenlightened masses of the world as the "good guy" who brought peace to Laos after US intervention loused it up.

More than a mere "good press" is involved in Laos for the Russians because Khrushchev is as fast on his arithmetic as he is good on propaganda.

He knows to the penny how much of the $3.6 billions foreign aid cash can be wasted in Laos and he isn't about to let us stop wasting our wealth. "Peace" will permit US dollars to continue to pour into Laos so K is furthering that cause.

US spent $310 millions in Laos during the past six years. This is a little more than $26 a year per person. Laotian income from all sources is about $50 a year so the US taxpayer is providing about half of the income for Laos' 2 million population.

K's fear in Laos is that too much communist control will make US taxpayers rebel and that would stem the flow of the stuff which makes up America's economic blood stream.

The US has poured into Laos vast amounts of US money even after hiring a firm of economic consultants to determine how much "prosperity" Laos could stand. They established $24 million a year as the maximum. . .so we poured in twice that amount.

One project, a road from Luangprang in the north central, to Vientaine in the west central, cost $1½ millions and a year of hard work. The road is under water half the year and is paved for only 10 miles. . .to the tennis courts of a

Nationwide Conelrad Test Called

There will be a nation-wide CONELRAD test Friday 1 to 1:30 p.m.

The test has been long planned as part of an annual civil defense training exercise. It will give the public a chance to ascertain whether or not they can receive CONELRAD clearly.

The formula: Tune to 640 or 1240 standard broadcast. If you are unable to hear it clearly, write to CONELRAD, box 110, Sacramento.

The Friday exercise will be as it would actually sound under attack conditions.

CONELRAD is a system by which stations reduce power to prevent being used by the enemy to "home" in bombers or missiles.

During the test no radio nor television broadcasts will be permitted. The exception, however, is that Mexican stations will not be affected.

Kiwanis Seeks Pretty Girls

The call is out for pretty girls!

Dr. Robert Burns, Kiwanis chairman of the Lemon Grove section of the Fairest of the Fair contest reported Tuesday that not one girl had registered as the deadline neared.

The qualification requirements are few and the rules simple. The applicant must be over 16 or under 27 on June 30.

Judging will take place at the Kiwanis club at the El Morocco restaurant May 10.

Entry blanks, information and encouragement may be obtained from the office of the Lemon Grove Review; from Dr. Burns at the Lemon Grove Veterinary hospital, or at the insurance office of John Dail.

Truck Vandalized

Edward C. Finley, 203 Englewood, Lemon Grove, an employe of the Railway Express reported to the Sheriff's Department that someone had broken his truck's radio antenna, the glass lens on his right rear side light, removed a rear view mirror from the right side door and tore and cut the seat covers of the cab.

Radio Makes Dr. Smith More Mobile

WELL DRESSED — Starting this month well dressed doctors will be wearing "Medicall," a radio device tuned to a medical doctor's station.
Medicall severs the telephone cord to which most doctors have become almost permanently attached. The device, transistorized radio, distributed by Doctors Service Bureau of San Diego, is tuned to transmitter operated by the bureau atop Grossmont hospital.
Any doctor carrying one of the devices can get his message by radio if he's within 35 miles of the station. Station has a different transmission frequency for each receiver, in effect, gives each doctor a private wave length, or a private radio line.
In the picture, taken by a staff photographer, Lemon Grove's Dr. Sam W. Smith of the L.G. Medical Center is testing a Medicall receiver as Harry Frances of the Doctors Service Bureau looks on.

Big Turnout Seen for C.C. Installation

Nearly 100 guests are expected to attend the installation dinner of the Lemon Grove chamber of commerce May 6 at the Bowlero, it was announced this week by Edwin Koester, chamber manager.

A short speech will be made by Assemblyman Sheridan Hegland and dancing will follow. Despie's orchestra will supply dance music from 9 to 1.

To be installed as 1961-62 president is Charles Hesser, Lemon Grove real estate broker who is also past commander of California VFW.

Jim Spears is in charge of entertainment. Max Goodwin is master of ceremonies.

Dinner will be at 7:30 following a no-host cocktail hour. Dinner, including dancing, is $3.75 a person.

Tax Collector To Retire

SAN DIEGO (CNS) — The resignation of Wilbur Easton as county tax collector was accepted Tuesday by the County Board of Supervisors, and James P. Rasmussen, Easton's chief deputy was named to succeed him.

Easton, 74, is to go out of office on June 30. He was first elected tax collector in 1954, after more than 22 years in the department. He would lose his retirement pay if he served another term.

New Section Of Road Opens

The new U. S. 80 Freeway between the Grossmont summit and Magnolia avenue in El Cajon was opened to traffic at noon yesterday. Jacob DeRema, district engineer for the state division of highways, has announced. It is a six-lane highway.

Fire Department Reports Activities

The Lemon Grove Fire Department has reported the following fire and first aid calls:

FIRE CALLS

April 24, 3:56 p.m., firemen were called to the U-Wash at 1801 Massachusetts St., where the contents of a dryer had caught fire. A witness there removed some of the items and called the fire department. The owner of the laundromat is Mrs. Giamando of 1542 El Prado St.

April 23, 9:31 a.m., firemen went to Vista La Mesa school where they put out a small brush fire along a fence. The fire was believed caused by children playing with matches.

April 22, 1:15 p.m., firemen were called out on Freeway 94 but the small roadside fire, apparently caused by a cigarette thrown out of a passing auto, was already extinguished.

April 20, 11:26 a.m., firemen were called to the home of Hubert M. Purdy at 2308 Cypress. This structural fire did extensive damage. Firemen reported much smoke and heat damage throughout the house, with much damage to contents, and bad fire damage in one of the rooms. A neighbor across the street sighted the smoke and called the fire department because occupants were away from home.

FIRST AID CALLS

April 24, 4 a.m., firemen were called to the home of Floyd Hamlin, 57, of 2106 Bonita St., who was found dead apparently of a heart attack. Firemen administered resuscitation to Hamlin until a doctor pronounced him dead. He was a Convair employe.

April 17, 2:01 p.m., a deputy sheriff brought Nette McCall, 65, of 7212 Waite Dr. to the fire station. She was suffering from an apparent heart condition and was given oxygen before being taken to the hospital.

THREE TEACHING APPROACHES PROVIDE IDENTICAL RESULTS

A three-year reading instruction study involving 67 teachers, 5 of them from Lemon Grove, has just been completed. The study involved 1,700 students in 12 elementary school districts and grades one through six. The study tested the effectiveness of three ways of teaching better reading, and the results showed that no one approach was better than the others.

The three types: 1. Basic—where children using one set of basic readers got instructions in three separate reading groups. 2. Individualized—where children help select reading material, proceed at a rate each establishes for himself. 3. Language—where children use materials and books they themselves produce, together with whatever textbooks that are needed, and receive instruction in flexible groups based on skills, interests and abilities. Study results showed that teachers can use any one of the three teaching methods successfully.

Lemon Grove teachers involved in the study are above.

Seated: Mmes. Barbara Hughes, Grace Burks and Barbara Brockhouse, all of the Vista La Mesa school. Standing: Clarence Allen, Mrs. Doris Sussan and Sam Solleder. Allen is principal and Mrs. Sussan is teacher at Vista La Mesa. Solleder is assistant superintendent of the L.G. elementary school district.

Mt. Miguel Students 'Adopt' Vietnamese Boy

Students in the Junior English class, Mt. Miguel High School, have financially "adopted" Pham Anh Hung, an 8-year-old Vietnamese boy, through Foster Parents' Plan. They have promised to contribute $15 a month toward the child's support for at least one year.

Foster Parents' Plan has rehabilitated more than 76,000 children on a personal basis since its founding in 1937 and is now helping more than 20,000 youngsters in Greece, Italy, South Korea, France, Viet Nam and Hong Kong.

Mt. Miguel students have compiled the following case history of their new "charge."

Hung has lived in poverty since his father's long illness began. His house measures only 12 by 15 feet. Here Hung lives with his mother, his brother, Nghia 13, and his three sisters, Hiep 10, Thu Van 5, and Yen 3.

Hung's father was always a poor man. He worked as a porter at the harbor and his wages were 69 cents a working day. For three years his health gradually deteriorated, until he was discovered, last August to have an advanced case of tuberculosis. He was ordered to stop working, although this was hardly necessary since he could barely do his job. In addition to his pulmonary illness, the father had a deformity of his right leg, following a childhood illness.

Hung's mother has been carrying the burden of the family's support. She peddles bread and tinned fish and earns about 33 cents a day. She also has tuberculosis. The family has a debt of $41.18, incurred for medical expenses and for basic needs.

Nghia helps his mother sell bread; on the days of her treatment he takes over the stall himself. He has finished elementary school, but it is impossible for him to go on with his studies because of the family's poverty. Hiep, who was in the fourth grade, had to leave to take care of the younger children. Van is in kindergarten, where she has learned to read. Her fees are 55 cents a month.

Hung is in the second grade of school and does very well. He wants to grow up fast and contribute to the care of the family. He hopes to be able to work in an office and to have a good job. He is a very handsome boy with regular features and very long eyelashes. He is friendly, bright and alert. Hung is slender and undernourished. His meals are a cup or two a day of barley gruel or a kind of tapioca porridge.

SV Student Is Kin Tel Guest

Stephen Smith, a student at Spring Valley Junior High School, was a guest this week of Kin Tel Division of Cohu Electronics, Inc., for a special San Diego Science Fair tour.

He spent two hours at Kin Tel's plant on Kearny Mesa during which time a slide presentation was made, as well as a tour of the manufacturing, engineering and instrument-television laboratories.

Students Help Raise Funds

Students from the five institutions of higher education in the San Diego metropolitan area are combining their efforts this week, April 24-29, to promote the World University Service organization. This marks the first time that students of California Western University, San Diego College, San Diego State College, the University of San Diego and the University of California at San Diego have unified their activities in an all college-university venture.

Object of the week-long series of events will be to raise money for World University Service, an international welfare organization which assists university students in needy and underdeveloped areas throughout the world.

Recent WUS assistance has been focused at Latin America, Africa, and Hongkong. With headquarters in New York City, WUS is sponsored by B'nai B'rith Hillel Foundations at American Universities, the National Newman Club Federation, United States National Student Association, the National Student Christian Federation, and the National Student Council of the YMCA and the YWCA.

The presidents of four of the student body groups are in charge of the WUS week planning. They are Ron Pearson, California Western University; Vern Lenox, San Diego City College; Don Brown, San Diego State College; Sandra Cassell, Women's College, and Jan Chapman, Men's College, University of San Diego. Mrs. Virginia Arnold, secretary to the foreign student advisor, representing the students at University of California at San Diego, also has participated in the planning.

28 at Mount Miguel Get SDSC Honors

Twenty-eight Mount Miguel high school students brought home awards in the fourth annual Language Field Day at San Diego State College on April 15.

One third-year German student, senior Michael Myers, distinguished himself in round-table discussion with native German speakers.

Mr. Gerald Newall, Michael's German teacher remarked, "The fact that Mike held his own extremely well in competition with native speakers, shows that he has been able to put to good use both his training in German at Miguel and his experience as an AES exchange student in Switzerland."

Approximately 100 foreign language students from Miguel participated in the Field Day.

Other winners in German I events were Ron Tennison, first place in a Gallup Poll; Shirley Sturm and Kathy Roth, runners-up in the Aural-Oral competence exam.

Second year German sophomore Gary Glaser was first-place winner in the Aural-Oral competence test.

Sandra Benjamin, Latin IV student, placed first in dramatic reading.

Spanish I students Zoanne Johnson and Shirley Miller won first places in the quiz "What Are they Doing?"

Six Spanish II students swept to first places in the 20 questions exam: Sue Pike, Susan Adsit, Alice Budzinski, Elsie Jones and Ray Whitmus and Mike Blaylock who were also runners-up in oral reading and comprehension of spoken Spanish. Noel Uri was a runner-up in this event.

Two qualified firsts were given to Miguelers in the oral reading portion of the test; Vickie Bowne and Gene Nelson. Mike Koman was runner-up in this exam.

First-year French students who captured first places in "What Am I Doing?", oral reading, 20 questions and obedience to oral commands were: Susie Mc Kee, Carol Osborn, Sheila Greene, Al Rubottom, Vickie Rowne, and Leslie Chrislew. Runners-up were Linda Parrish and Sari Wade.

Miguel participants in the language events were members of classes taught by Gerald Newall, Robert Conger, Robert Rever, Ann Alderson, John Gormley, Edward Villarreal, and Madge Mc Rae.

Consensus of the Miguel language teachers was that "we were very proud of our students; there should be more activities of this type which contribute to making the public aware of what is being done in the area of foreign languages at Miguel, as well as giving the students an opportunity to put into practice what they have learned in class."

Hegland's Bill Goes Through State Assembly

The State Assembly has passed a bill by Assemblyman Sheridan N. Hegland, La Mesa, giving school boards more local control over its affairs.

The measure, AB 26, provides that school boards will have the power to carry out actions not prohibited by the Education Code. In the past, it could act only on what was specifically permitted by the Code.

"I am delighted that this bill, giving greater local option, has been passed," said Assemblyman Hegland, "and that the Assembly has reaffirmed its faith in home rule. The California Association of School Boards considers this to be the most important bill before the Legislature this year."

Also last week Governor Edmund G. Brown signed AB 161, by Hegland, empowering local school boards to contract for private legal counsel for district litigation.

Campaign Seeks To Put Flag In Every Home

"Operation Red, White and Blue," a campaign instituted by the La Mesa Fleet Reserve, number 139, with Parker J. Stahnke as president, is being held from May 1 through June 14 (Flag Day).

As part of the "kick-off" ceremonies, three members of the committee — Jimmy Van Duesen, Clyde Jenkins and L. Frankenburg, last Thursday night attended the Spring Valley Lions Club meeting at Singing Hills Country Club, and Van Duesen presented a new, 50-star American flag to Lions president, John Elliott.

Purpose of "Operation Red, White and Blue," which is nationwide, is to stimulate more interest in the American flag and to try to place it in every home in the United States, that it might be flown on all national holidays (including of course, Flag Day). The Fleet Reserve is of the opinion that there has been a lack of display of the flag throughout the nation.

The Fleet Reserve, which is a non-profit organization, is selling the 2x3 feet, all-weather cotton flag for $1.50 (tax paid), which includes the bracket. Flags are to be seen (and sold) in front of every market and other business houses throughout San Diego county and the entire nation.

The La Mesa Fleet Reserve on Saturday at 3 p.m., at the Girl Scout headquarters, Balboa Park, will present a new flag to every Girl Scout unit in the county.

The La Mesa Fleet Reserve is made up of retired Navy and Marine personnel from La Mesa, Spring Valley and Lemon Grove. President Stahnke is also co-chairman of the National Committee of Fleet Reserve Assn.

County Junior Olympics Start May 13 in SD

Ninth annual San Diego County Junior Olympics will be held on May 13 with preliminaries at 10 a.m. at Crawford and finals at 7:30 p.m. at Hoover High, the San Diego Park and Recreation Department has announced. Pepsi Cola will sponsor the traditional windup of the boys track season, open to boys from anywhere in San Diego County.

Divisions will be 16-17, 14-15 and 12-13 years and 11-and-under, referred to as Senior, Intermediate, Junior and Midget classes respectively. Deadline for entries will be May 5 at the Park Administration Building.

Entry blanks are available at schools and city playgrounds. Ralph Smith, director of municipal athletics, will serve as meet director.

Three Bad Checks Issued at Market

Marlys Den Hartog may be on probation but that does not prevent her continuing to write no-good checks, according to report received by the Sheriff's Department from Mayfair Market, 7663 Broadway, Lemon Grove. The manager reported she passed three checks totaling $85 on the Bank of America, La Mesa branch. The word came back she had no account.

Junior High to Host Vocal Festival for Southern Cal

Lemon Grove Junior High host a Southern California Vocal Festival on Tuesday, May 9, when chorus groups from throughout the county meet here for an annual song festival. George Starkey, music teacher at the junior high, is host director for the event which begins at 9 a.m. and continues to noon.

Approximately 550 student voices will participate. According to Robert Sutton and Harold Brogan, local principals, Lemon Grove will enter the mixed chorus and the boys' glee club from the host school and the Choraleers from Palm.

Other schools represented on the days schedule include National City Junior High (girls' glee); Washington Junior High of Vista (chorus); Chula Vista Junior High (seventh and eighth grade girls' glee); Sweetwater Junior High (advanced girls' glee); Hilltop Junior High (advanced girls' glee); Mar Vista Junior High (mixed glee); and Jefferson Junior High of Oceanside (girls' glee).

Because of limited seating, due to the large number of participants, the festival will not be open to the public.

PTA Planning Summer Activities

Members of San Miguel PTA are busy concluding the year's work and planning for summer activities. Fees are being paid for six women who are raining to become instructors for the backyard swim project. Registration will begin for pupils May 8.

Five members are planning to attend the State PTA convention in Los Angeles for the May 4 session. Those attending will be Mrs. R. J. Collette, Mrs. Frank Haddox, Mrs. Robert Torrens, Mrs. James Ogden, and Mrs. Keith Jennings.

If you have visited the school lately around lunch time, you have probably heard some of the new records which were a gift of the PTA to the record library.

Dr. Mallek to Speak At Grove Junior High

Our most informative meeting of this year will be presented Wednesday, May 3 in room 4, Lemon Grove Junior High School at 8 p.m. Dr. Nicholas Mallek, coordinator of he EMR (Educable Mentally Retarded) program at Grossmont High School, will show and tell us about the wonderful training our children can look forward to when they reach high school age.

Mr. Byron Netzley, our school superintendent, will be on hand, along with our faithful school principals and teachers to help welcome this most capable and untiring friend.

We would like to take this special opportunity to invite the members of the Lemon Grove school board to this meeting, since our school building program is of much concern to all of us this year. There is much to be gained by this meeting. Grossmont High School, where our students in special education will be attending, is also expanding its building program to better prepare these special children to take their place in our community.

Another date to mark on the calendar is Saturday, May 13. A workshop for parents, physicians, psychologists, social workers, nurses, teachers, volunteers, students and others interested in the field of mental retardation. Place: San Diego State College Campus Laboratory School. No registration fee. For information call Mrs. Holland, HO 9-9645.

Meeting Time Of PTA Changed

Mt. Miguel PTA has changed its final unit meeting to April 27 at 7 p.m. in the cafetorium. Rev. Orval Butcher, pastor of Skyline Methodist Church, will honor us with an inspirational solo.

There will be visitation of classrooms to better acquaint parents with their childrens' teachers and subjects.

Honorary Life membership presentations and installation of new officers will also be a part of the program.

As you enjoy coffee and donuts, which will be on sale all evening, you will be entertained by the Pep band.

Mt. Miguel also urges all children and parents to help in the welfare clothing collection which will be held from April 24 to April 28. Bring any usable items to school and drop in boxes which will be in the school office.

State PTA To Convene On May 3

The California Congress of Parents and Teachers 62nd annual convention will meet May 3, 4 and 5, in Los Angeles. The CCPT president, Mrs. C. H. Culbertson of Long Beach will preside at all general sessions to be held in the Shrine Auditorium. Theme of the convention is, "We Open the Door to New Frontiers for Children and Youth."

Anticipating over 5,000 delegates from all over the state of California and representing a membership of nearly 1,190,000 the convention committee, headed by Mrs. T. R. French of Inglewood, have planned programs and conferences to meet the challenge facing today's PTA leaders.

Time to Register Pre-School Tots

May is "round-up time" for pre-kindergarten pupils in the Lemon Grove School District. Each elementary school is scheduling a particular date on which parents may register children for the fall term. Hours are the same as the school day schedule.

The following schedule was announced this week by S. K. Solleder, assistant superintendent: Vista La Mesa, Tuesday, May 2; Monterey Heights, Thursday, May 4; Mount Vernon, Tuesday, May 9; San Altos, Thursday, May 11; San Miguel, Tuesday, May 23; and Golden Avenue, Thursday, May 25. Registration begins at 9 a.m.

Although registration is permissible during the entire week in which the round-up date falls, special facilities will be available only on the dates listed above. These include the services of two school nurses who will discuss vision and hearing tests set for June and who will assist parents with any health problems apparent in children at the time of enrollment.

Since kindergarten space may be at a premium, parents are urged to enroll pupils next month in May and avoid a possible waiting list in September. Those registering children should submit birth certificates or other proof of age. Under California law, a child must be at least four years, nine months old on or before September 1, 1961, before he may be enrolled in public school.

Since these promise to be busy days at the schools, parents are requested to bring no younger children to the round-up if they can possibly avoid doing so.

LG PTA Making Graduation Plans

At the Lemon Grove Junior PTA board meeting, plans for graduation were discussed. A fashion show, "Springtime in Paris," by the eighth grade homemaking classes, took the place of the regular PTA meeting. The girls modeled sewing projects they completed during the year. Decorations featured the Eiffel Tower and other Parisian landmarks.

Education Conference To Be Held Friday

The sixth annual Community Conference of Education will be held Friday of this week at 7:30 p.m. in the La Mesa Junior High School, with Dr. Melvin Anderson as chairman. All interested persons, who want to know more about the area educational program and what is planned for the future in that field, are urged to attend. There is no charge.

The DIMMER VIEW

(Continued)

Laos government official.

Of $34 millions we spent there last year, only $½ million went to the farm industry. Yet 90 per cent of the population are farmers.

Added to all of this ineptness, Laos Premier Souvanna Phouma has called on his half-brother, Communist Prince Souphanouvong to become Minister of Planning, this making the Laotian aid program the first U.S. program ever to be administered by a communist agent.

Foreign Aid has become a monster not intended at the beginning but this is the way of life with federal agencies.

* * *

CUERO, TEXAS, RECORD: "It must be hoped that, somehow, the small independent farmer, and business man, will be able to find a place in this country—a place where he can work and prosper and retain that independence and individuality that forms a priceless safeguard against regimentation, sameness and loss of individualism."

* * *

One of the devices bureaucrats are able to turn against us to perpetuate their own breed is a ruling of the most potent bureau of them all - the Internal Revenue Service.

The IRS ruling is that expenses incurred for the "promotion or defeat of legislation" is disallowed for tax purposes.

Simply put, the ruling establishes that defending one's business against injury or even destruction by informing the public by advertising in mass media is illegal if the cost is charged against business expenses. In the financial make-up of most firms, there simply isn't any other category in which it can be legitimately charged.

Thus it becomes highly impractical for business firms to alert the public through advertising of coming changes in legislation that will produce an unhealthy business climate. A bad business climate is obviously bad for the public, all of whom are either consumers or employes.

The bureaucratic advantage in such a rule is easy to see. Not being able to charge a potent defensive weapon as a business expense, as it most certainly is, deprives the public of a centering place in which they too may oppose the legislation so that their own consumer interests might be preserved. The ruling helps reduce the governed into a voiceless mass in a growing sea of autocracy.

Resolved to a single sentence: Censorship by taxation!

We join other leaders throughout the nation who are disturbed by the IRS ruling. There are several bills now before Congress to eliminate this form of censorship. They should receive public support which would lead to their passage. The constituent should let his Congressman know he favors the passage of HR 45, HR 640, HR 925, and S 467.

By doing so he will protect his own interest.

Beach Has Cats

New Vet Finds More Canines in This Area

A new veterinarian in this area, Dr. Richard L. Howard of Broadway Helix Pet Hospital, 8444 Broadway, Lemon Grove, finds this area to have more dogs than the one from which he came. In Pacific Beach, where he practiced for three years, there were more cats.

Dr. Howard, who opened his new hospital March 1, hails from Washington State, where he graduated from state college in 1957. In addition to his beach area practice, he worked for six months with the county livestock department.

His hospital here has facilities for as many as 25 animals, if that many need care simultaneously. Many of the cases he's had so far have involved foxtails, which are burr-like growths picked up by dogs and which work into their ears and noses.

Another frequent activity at his hospital has been vaccinating against distemper and hepatitis. Dr. Howard warns dog owners that vaccination is very important. Many dogs are lost from not being vaccinated, he pointed out.

Hospital care for pets is available 24 hours a day seven days a week, Dr. Howard said. He and his wife, who assists him there, live on the premises in order that care will be continually available.

Five Stores Get Bum Checks Here

A man using the name of Richard L. Lancaster, went on a forgery spree last week in Lemon Grove and victimized the Montgomery Liquor Store, 7779 Broadway, Midget Market, 2619 Imperial Ave., Grove Liquor store, 7249 Broadway, Evelyn Wigton's, 7761 Broadway, and Schmit's Liquor Store 9155 Campo Rd., Spring Valley. All the checks were drawn on the United States National Bank, made out to Richard L. Lancaster, and countersigned by the National Steel Shipbuilding Company. In all, the forger, using several aliases garnered nearly $500.

GROVE INSURANCE MAN GAINS TRIP

Ten San Diego area men who are leading sales representatives for Occidental Life Insurance Company of California have qualified for the firm's Western regional convention, to be held April 30 through May 3 in Portland.

One is a Lemon Grove man. He is W. P. "Curly" Simons of 6334 Mallard St.

Qualification for the convention is based on the individual's sales record for the past 18 months. It has been during this period that Occidental's total insurance in force has soared past the $10 billion mark.

Highlands School To Be Dedicated Tonight at 7:30

Residents of the La Mesa-Spring Valley area will officially "welcome in" the new Highlands Elementary School tonight. In a brief but colorful ceremony the new school will be dedicated by school board members, school officials, and citizens of the community.

Scheduled to begin promptly at 7:30 p.m., the brief program will feature the Spring Valley Junior High band, directed by Fredric Taylor. Certifying the buildings as complete will be Superintendent Glenn Murdock. Dr. Edward Smith, president of the Board of Education, will accept on behalf of the board, and Mrs. Richard Bibley, president of the newly-formed Highlands PTA, will accept on behalf of the community

After the ceremony the school will be open for inspection, according to Mr. William Schell, principal. Refreshments will be served by the PTA.

Highlands Elementary School which was constructed under the State Aid program, consists of 16 classrooms, two kindergarten rooms, remedial education conference rooms, a multipurpose room, a kitchen, office and storage facilities. The amount of the construction contract, including buildings, grading, fencing, drainage control, and utilites, was $466,999. This amount is $62,283 (or 12 per cent) below the state allowance for the project, according to Murdock.

The school is located at 3131 South Barcelona St. in the Casa de Oro area and has been in operation since last month. It is the 17th school in the District. The La Mesa-Spring Valley School District now consists of 15 elementary and two junior high school with a combined enrollment of more than 12,000 students. State funds have been made available for construction of additions to Avondale and Maryland Avenue Elementary Schools.

Highlands School's instructional staff includes William Schell, principal, and 15 teachers and a part-time nurse. The professional training of these staff members totals something more than 70 years of college and university education, and a total of 80½ years of combined teaching experience. The non-teaching staff consist of one secretary, three custodians, and three cafeteria personnel.

Youth Arrested

A 14-year-old youth was arrested lately at Mt. Miguel High School after he admitted filing pennies down to be used as dimes in an automatic coin changer at the school.

Tax Exemption Must Be Filed Before 5 Mon.

All persons eligible to claim Veteran's Exemption on 1961 property tax must file an exemption claim with the county assessor before 5 p.m. Monday. Some who claimed exemption last year may be of the opinion that it is not necessary to re-file. Exemption claims must be made each year, and this year the final filing date is May first.

In California personal property, as well as real property, is taxable annually in proportion to its value. Even those who own only household furnishings are subject to assessment.

County Assessor John McQuilken has announced that, to serve those who are unable to contact the assessor during normal business hours, the Assessor's Office, 103 Civic Center, San Diego will be open until 9 p.m. Thursday and Friday, this week. Branch offices located at 368 Broadway, Vista, and 248 West Main, El Cajon, will keep these same hours.

The final date for filing is established by state law and no claim for exemption can be accepted after the first Monday in May.

PTA Meeting Is Today

The Mt. Vernon PTA will meet at the Palm Junior High cafetorium Thursday, today. "Open House" will be held at the Mt. Vernon School from 7 to 8 p.m. Following this, parents are urged to assemble at the cafetorium at Palm Junior High for the regular PTA business meeting and refreshments.

Twirlers to Vie In Maytime Test

NATIONAL CITY—Eighteen twirlers from all over Southern California will try for the top awards in the annual Miss Maytime Majorette contest, a preliminary event to this city's 14th annual Maytime Band Review, on Saturday morning, at the municipal pool, at 22nd and Grove Street.

The winners will lead the colorful multi-unit Maytime Band Review in downtown National City on May 6, starting at 10:30 a.m., it was announced.

Meanwhile, plans for the Maytime Band Review have been completed, with 68 units from all over the Southland ready for the start at Highland Ave., Eighth Ave. on May 6. The units will march down Eighth Ave., past the judges at C Ave., to National Ave., thence south to 13th Ave., and east into Kimball Bowl where the award ceremony will be held.

The Review, a salute to National Music Week, is co-sponsored by the city and the Chamber of Commerce.

2nd Annual Junior Bowling Tourney

Tying in with an article on "bowling" in the April 20 issue of the Bulletin, is the following from the Bowling Proprietors Assn. of Southern Calif., Inc.

The second annual Junior Team Handicap Tournament is scheduled for May 13. This handicap is for boys and girls in three divisions — Bantams, Juniors and Seniors. On that day bowling will take place in all the establishments and the scores sent to the Association office.

There will be many trophies for the many teams participating. There will be no entry fee for the Juniors. Those entering will be required to pay bowling charges, which will be the prevailing charge in the house in which the team bowls. Trophies will be awarded through the Coca-Cola Co. which is interested in working with the Proprietors Assn. for the development of Junior bowling activities in the Southern California area. Posters and entry blanks should be in bowling establishments soon.

A new Junior tournament is added to the many activities of the Proprietors Assn. in announcing the first annual Junior All-Star match game championships. This event is scheduled June 3, and will be a "scratch" event. For this first year it is being presented only for boys with the possibility of a girls division being added in the future, should there be a demand. The event will be open to all boys to the age of 18 or still in high school.

Here again the awards will be in accordance with the CIF requirements, and no one holding an ABC card will be eligible to participate. It will be patterned after the association's annual All-Star adult match game championships with qualifying rounds, semi-final rounds, and the final rounds being head-and-head match game types of play.

Here again, through the cooperation of the Coca-Cola Co., there will be suitable awards. Every junior who enters will receive an arm patch indicating his participation in the All-Star event, and all finalists will receive an arm patch indicating that they are finalists in this tournament. Details will be announced and the association suggests that all juniors interested in this type of play, to make inquiry with local Bowling Proprietor Assn. establishments.

Finds Record Player

Anthony Long, 9 years, 1701 Dayton Dr., Lemon Grove, told his father about his find in a drainage ditch near his home. Robert J. Long investigated, retrieved and took to the Sheriff's sub-station in Lemon Grove, one Victor record player in black plastic case with grey top, name "Hobart" written on the lid, 220 miscellaneous 45 rpm records.

Pony League Opening Scheduled for May 5

The Ladies' Auxiliary of the Spring Valley Pony League is busy with plans for the league dance and opening day ceremonies. The dance will be held on Friday, May 5 at the American Legion Hall in La Mesa. It is rumored that they are bringing an act from the continent that has been wowing them in the night spots in Hollywood. The committee is planning several surprises for the crowd and door prizes will be given away.

Plans for opening day on May 13 at Mt. Miguel varsity field are going along too. Happy Hare from radio station KCBQ will be master of ceremonies and Dick Reed, with the Padre organization, will be there with a couple of players to talk to the boys. There will be grab bags to buy, door prizes given for a ticket and a small donation, goodies at the concession stand and two good baseball games to watch. Come and have a good day of fun and base ball, says Mrs. E. J. Baird, publicity chairman of the Ladies Auxiliary.

Boy Scout Troop 355 will be color guard. McMahan's Furniture Store donated a new 50-star flag to the league. President Ed Baird extends his thanks and appreciation to them.

Some of the boys in the league have a few bars of the world's finest chocolate left to sell. If you are approached, please buy a bar if you can. You will not only have a fine treat but help the boys replace their uniforms which were destroyed in the Lemon Grove warehouse fire last January.

Damage Listed at Two Area Schools

Mischievous hands wreaked considerable damage and inconvenience at the Lemon Grove Junior High School during the weekend, according to report made to the Sheriff's Department by the Lemon Grove School District Administrative office. Two windows were broken in the residential area of the high school. The outside fire hose was turned on, with subsequent water damage, and a 25-lb. student desk was run up the flag pole. Several chair type desks from Rooms 4 and 7 were thrown out on the lawn, a 24 inch world globe was broken, the water was turned on in a wash basin and the faucet broken, causing considerable damage to the papers. A small transistor radio was thrown on the sidewalk and smashed.

Also a number of feet of the steel core flagpole rope was severed.

Vandals broke into the Highland Elementary School, 3131 South Barcelona in Spring Valley, April 24, through a window in the school cafeteria, according to report from J. Schell, principal. They forced open a locked refrigerator and did other minor damage. The evidences of entry were discovered by J. W. Bauman, custodian. Principal Schell believes it may be a group of boys he has had other trouble with recently.

Bike Found

Officials at Lemon Grove Junior High School have reported to the sheriff's department that a boy's Schwinn bicycle has been found at the school. It has been turned over to the sheriff's sub-station.

A power lawnmower was reported stolen by owner Mrs Bernard Dale Chappell of 1534 Skyline Blvd., Lemon Grove. She said someone took it on April 21 or 22. It is red and white and valued at $150.

Sports AND RECREATION

Spokane Next Padres' Victim

Spokane will follow Vancouver into Westgate Park this week, playing games with the Padres, Friday through Sunday.

The Indians, thus far, don't shape up as strong as they were in 1960, when they won the Pacific Coast League pennant, but they're expected to get help from the Los Angeles Dodgers soon.

One of Spokane's newcomers is first baseman Tim Harkness, who is supposed to have a swing like Ted Williams, San Diego boy who made good in the major leagues.

King-Size Fruit Raised Here

LEMON GROVE LEMON — Lemon trees have been planted along the main streets of Lemon Grove only a few weeks, yet here is proof (photographic) that things grow bigger, better in Lemon Grove.
Mrs. Loretta Clark and Miss Ginny Lein, boh clerks at Dial Pharmacy, examine a king sized lemon attached to their newly installed tree.
Truth of the matter, the photographer learned belatedly, is that the lemon is actually a citron from one of the only citron trees hereabouts according to George Casteel, early comer to Lemon Grove and ardent amateur orchardist who raised the citron. George Chance of 2030 Fairhaven who tied the citron to the tree as a gag said the fruit weighs 2 and a quarter pounds. Citrons are used mostly by bakers for making fruit cakes. Staff photo

New Tires Won't Go 'Flat'

To demonstrate the wonder of the latest in automobile tires, La Salle Enterprises of Lemon Grove in cooperation with Spears Ford here have been driving this car around the area. Driver is Carolyn Bush and pointing at one of the flat tires is Bud Stanley. This recent tire development enables a driver to go as far as 100 miles after a puncture occurs. Only the outer cushion of air escapes; an inner safety reserve maintans the tire's utility. Staff Photo

Boy Scouts Selected For Camp Training

In preparation for the summer camping season, 245 Scouts from throughout San Diego county have been selected to take special camping training by the San Diego County Council, Boy Scouts of America.

The training will be held April 29 and 30 at Matagua Scout Reservation.

It will include instruction in the following subjects: nature, no-skeet, archery, hiking, pioneering, compass, axmanship, swimming, Indian lore, rifle marksmanship, campcraft, handicraft, horsemanship, fishing, canoeing, boating and cooking.

The following scouts from this area will take part in the special camping training: Bruce Tweed, PO Box 183, Troop 168, Lemon Grove; Don Nottingham, 7772 High St., Troop 309, Lemon Grove; Steven Lane, 3047 Buena Vista, Explorer Post 333, Lemon Grove; Bob Wingo, 1620 Colfax Dr., Explorer Post 333, Lemon Grove; Don Peters, 3737 Grove St., Squadron 346, Lemon Grove, and Eric Dahl, 10109 Ramona Dr., Troop 354, Spring Valley.

Jack Wilkinson To Present Pony League Uniforms

Uniform night will be held at 7:30 p.m. on May 4 at San Miguel School by the newly formed Lemon Grove Pony League. This league is composed of six teams whose sponsors are Jet Tool, Lions Club, Kiwanis Club, Fred's Auto, Burriston's Shoes and Lemon Grove Merchants.

League President Jack Wilkinson will present uniforms to the players after a short general meeting in which the sponsors, managers, coaches and players will be introduced.

The league kickoff will take place May 7 with an opening ceremony by the Color Guard from the MCRD at Lemon Grove Junior High School baseball field where all the league games will be played. Each team will play three innings at the kickoff. In addition, a full barrel of food will be raffled off and there will be a bake sale.

The regular season will officially open on May 8.

Services Held for B. H. Underwood Of Spring Valley

Funeral services for Bueford H. Underwood, 46, of 3230 Calavo Dr., Spring Valley, were held Monday at Greenwood Mortuary. Interment was in Greenwood Memorial Park. Rev. James King, pastor of the Foothills Methodist Church, officiated. Mr. Underwood passed away April 19 in a hospital.

A native of Texas, he had lived in San Diego County about 10 years, and was an employe of Ryan Aircraft. He was a member of Foothills Methodist Church.

Survivors include his widow, Irene, and a son, Dave, both of Spring Valley; two brothers, Grady and Homer Underwood, both of Texas; two sisters, Mrs. Mabalien Powers and Mrs. G. T. Leonard, both of Texas, and his parents, Mr. and Mrs. Julius Underwool, also of Texas.

Battery Stolen

Edward Stanley King, a resident of a trailer park in Lemon Grove, told sheriff's officers someone stole a battery from his automobile parked in front of the residence of a friend, T. G. Twells, 1862 Washington.

Posture Contest Getting Response

Keen competition is promised for the title of "Miss Perfect Posture of San Diego," in the light of responses to the announcement made recently by Dr. Hayles Trent D.C., Spring Valley, chairman of the pageant for the San Diego district of the California Chiropractic Assn.

"Entrants must be young ladies, unmarried, at least 18 years old and not more than 24," Dr. Trent explained. The date for the local pageant is scheduled for May 3, at the Mission Valley Inn, and those who wish to appear in the pageant should get in touch with Dr. Trent immediately.

Local winners all over the state will become guests of their district groups at three regional pageants; one for the Northern California districts at Oakland; one for Central California at Bakersfield; and the other for Southern California at Hollywood. Winners of the regionals will then be taken to the annual conference of the association at Berkeley in June, all expenses paid, and will be presented before the convention for selection as Miss Perfect Posture of California, 1961.

"Judges in all pageants are professional men," Dr. Trent pointed out. "The entire pageant program will be conducted on the highest plane. This will be a pageant in the name of correct posture, which is essential to health and appearance and without which future generations can fail to keep their fine American physical inheritance. It will be a community service project from the start, and we urgently ask the support of the people in it."

For entry blanks call Dr. Trent, HO 6-6111 (9121 Campo Rd., Spring Valley).

GROVE SAILOR IN WESTERN PACIFIC

WESTERN PACIFIC (Spcl) —Willard J. McAlexander, seaman, USN, son of Mr. and Mrs. Otis G. Nation of 1860 El Dola, Lemon Grove, is serving aboard the attack aircraft carrier USS Midway operating with the Seventh Fleet in the Western Pacific.

During the seven - month cruise, the Midway is scheduled to visit Guam, Hong Kong, Japan, Okinawa, the Philippines and Pearl Harbor.

This is the carrier's third Western Pacific cruise since being recommissioned in 1957.

SV Residents Worried About Dog Poisonings

Four dog poisonings lately in their neighborhood worry residents of Ildica street in Spring Valley. They suspect they are connected with patties of raw hamburger found scattered at intervals along Sweetwater road.

Deputy sheriffs called to the area believed the meat had been thrown on the road during the night. The meat is being analyzed.

The four poisoned dogs were a German shepherd, owned by Herbert H. White, 8709 Ildica, a cocker spaniel, owned by Dennis O'Neill, 8633 Ildica, a bird dog, owned by Roy Snyder, 8746 Ildica, and a beagle, owned by Ben Clark of 8712 Ildica.

Tonight Is Open House at Miguel

Because of a conflict with other activities, Mount Miguel high school will have its annual Open House in observance of Public Schools' Week on Thursday evening, April 27.

The evening will begin with a business meeting in the cafeteria, after which open visitation of classrooms by parents will occur.

Special displays and exhibits can be viewed in the classrooms of the following teachers: Mrs. Tremaine, displays of student projects in map work on Africa; Mr. Kingsley, a Tachist-O-Flasher for Math IE students. Mr. Owens, display of equipment in auto shop; Mrs. Harley, display of student compositions and term papers; Mr. Rexer, tapes of Spanish IC students' pronunciation; Mrs. Mott, photographic journalism display of student work.

A one-act play will be presented by Mr. Newall's German III students. Titled "The Night Perry Masonmint Lost a Case," the play may be watched in the cafeteria from 7:45 to 8 p.m. after which Mr. Newall will be in room T-6.

The Air Science department plans to have an officer from the CAP to explain the program to the parents.

Speech students, members of Mr. Sander's classes, may be performing in room T-6 during the evening.

Miguel Speakers Get Into State, National Finals

Mount Miguel high school's speech team will terminate its most successful year of competition with eight of its members in the State Finals at Pittsburgh, Penn.

The Helix High School Invitational Tournament provided the team with its first sweepstakes award. Other first place wins for the team were the San Diego Speech Festival, the San Diego State College Open Tournament, and the California Western University Tournament. Recently, the team won second place at the district tournament held April 7, 8, at the University of Southern California and consequently qualified five members for State Finals. Three more members were qualified at the San Diego State Qualifying Tournament.

Attending State Finals will be Darcy Cremer, Bob Hill, Carole Urbanac, Kathy Herbener, Sue Ferguson, Linda Thompson, Bud Carey, and Bea Weeks.

Bud Carey and Dudley Griffen will attend the National Speech Tournament.

Mr. W. R. Sanders, the team's coach, remarked, "We have had a desire to build a championship team. From the beginning of the year, our goal has been to improve our previous record at the Santa Barbara State Finals.

Square Dancers' State Convention To Be in June

The State Square Dance convention will be held at Balboa Park, June 16, 17 and 18. On June 16 there will be a fashion show exclusively to show square dance and sports clothes. Donna McClean, age 15, and William Rongey, age 16, will represent the "Heartland Hoedowners," sponsored by the La Mesa Recreation-Park Department, as models.

On the 17th, Boots and Bonnets, adult square dance group sponsored by the recreation department, will offer exhibition dancing. June 18 is devoted to junior groups. Mrs. Gladys Rongey, square dance instructor for the recreation department, will be chairman for all junior events.

Festivities Slated At Little League Field April 30

The newly completed little league field on Sweetwater Lane near Jamacha boulevard will be the scene of opening day festivities April 30, starting at 11 a.m.

On hand to help make the day a memorable one will be Sandy Ursillo twirling her baton. Cub Scouts doing authentic Indian dances, clowns to hand out candy to the children, Mr. Donald Barnes, principal of Avondale Elementary School, to throw out the first ball, Tommy Thomas to give the welcoming speech, representatives from the VFW to present the league with an American flag, Boy Scouts to raise the flag, and many other surprises.

Jim Jordan, president of the Spring Valley Little League, said that the refreshment stand will be open, and a large crowd is expected, so come early for good seats, and stay to watch the teams, who will each get a chance to play a few innings.

NEW JOB OPENINGS

LG Students Win Math Tournament

St. John of the Cross School of Lemon Grove won the team championship of the second annual Mathematics Field Day at St. Augustine High School Saturday in competition with 17 other county parochial schools.

The field day was sponsored by the St. Augustine chapter of Alpha Theta, national mathematics club, and the St. Augustine Alumni Assn. Each school entered a team of four eighth grade boys.

St. Rita's School placed second and Holy Spirit School was third.

The events included were a "Leap-Frog Relay" won by Fred Long and Robert Ogus, "Mad Hatter Marathon" won by Duane David, "Chalk-Talk Derby" won by Tim Shea whose topics were History of the Zero, Methods of Square Root, Use of Ratio and Proportion, Use of Percentages, Application of Perimeter Rules. Each boy received a trophy and a slide rule as first place winners.

Leap Frog Relay: two students worked on 60 problems each, at the end of 40 minutes a 10 minute break. Papers were exchanged and 20 minutes were allowed to check, correct and complete his partner's work. Papers were returned for 10 minutes approval of corrections and changes. During this checking, teammates showed each other their work but no talking was allowed. Problems were graded right or wrong with no partial credit given. To encourage proper checking, wrong answers were penalized right minus wrong, with blank responses not counted. The team's score was the total score on both papers. Problems were selected mainly from mathematical areas ordinarily covered in grade school.

Chalk Talk Derby: each student presented a 5 minute oral talk before a blackboard in 3 rounds. They were questioned after their talks and were judged on clearness, correctness, use of blackboards for demonstrations and depth of mathematics used. Topics were selected from a prepared list.

Mat Hatter Marathon: this was a rapid computation and estimation event open to individual students. Problems were shown on a screen, read aloud, shown or written on a blackboard, etc. Some problems required exact answers while some were approximate estimates as to size and weight. This event was judged by rapid reading, mental arithmetic, short cuts and checks in computation and learning standard formulas for areas, volumes, interests and applied topics.

250 Girls To Attend 'Playday'

The Women's Recreational Assn. at San Diego State will present their annual High School Playday from 9 a.m. until 2 p.m. on April 29.

Approximately 250 girls from some 30 city and county high schools are expected to attend for a day of fun and games. The San Diego State Women's Physical Education Major's Club will assist in supervising the games.

Students will participate in softball, basketball, volley ball, crab-walk soccor and Norwegian softball. Some 15 girls from each school will participate in the games.

Miss Joan Barone, advisor to the association, said the purpose of the non-competitive playday is to introduce high school girls to the San Diego State campus and to emphasize the recreational value of sports activities.

Termites, which convert wood and other cellulose materials into protein, annually cause more than $250,000,000 damage to structures in the United States.

PUBLIC NOTICE-- ITS MANY USES

Copyright 1960
By James E. Pollard

Here is another series of articles on legal advertising. The first few will deal with background of legal notices. Later, specific legals will be discussed.

OPEN HEARINGS
(No. 8 in a Series)

It is basic to the American way of doing things to require most public business to be done in the open. Some things such as crime detection and certain aspects of national security require degrees of secrecy. But in the main the principle of "openness" is a good and long established practice.

One means of insuring that the public is kept informed is to provide for open hearings. This is so that members of the public may attend such hearings if they wish. In any event, such hearings on public matters are often open to the press and the radio TV so that the public can be kept informed of developments through these media.

The policy of open hearings on matters that concern the public is closely related in principle to the equally important one of public notice. Such notices affect the community at large, various corporate or other interests and, especially, individuals. These notices are a means of safeguarding various rights and to be put on notice is one way of protecting those rights.

The bona fide newspaper of general circulation is a long established medium for such notices as provided by law or by official designation. This is only one of the many public services provided by the newspaper. In principle, the publication of such notices is also an important part of the American way.

Deadline Nears For S.U.I. Tax

Monday, May 1, is the deadline for filing California unemployment insurance wage reports and contribution returns for the first quarter of 1961, Hagen Christensen, auditor in charge for the State Department of Employment in San Diego, today reminded employers.

Penalty and interest will be charged if the report is filed after the deadline, Christensen said.

Employers needing assistance in preparing their returns may contact the Audit Office at 2100 4th Avenue, San Diego, or by telephoning BElmont 2-2187.

Casa de Oro Church Having Night of Music

Another "5th Sunday Music Night" scheduled for Sunday at the Casa de Oro Baptist Church at 7 p.m. The entire hour will be devoted to musical numbers, both vocal and instrumental. The music committee of the church will be in charge. On the same day the annual "Welcome" reception for new members will be held. This will be in the social room following the evening services. New members will be seated at a special table.

The annual Mother-Daughter banquet is scheduled for Tuesday, May 2, at the church. This year's theme is "Hats off to Mothers." A wonderful evening has been planned with the dinner starting off at 6:30 p.m. The program will include a semi-humorous skit, a "get-acquainted" time (with dessert), and a devotional time, with the trio of the Ramona First Baptist Church singing two numbers. The trio is comprised of Drucilla Meador, Corkie Mitchell and Aline James. Mrs. Joyce Ames, also from the Ramona Church will be guest speaker. There will be special favors for all present.

Plans are under way for the annual Vacation Bible School. This will be for all boys and girls 3 years old through sixth grade of the area. This year's theme will be "Boys and Girls Summer Safari." The school is scheduled for June 19-23, from 9 to 11:30 a.m.

The adult Sunday School class is sponsoring a potluck dinner for all adults of the Sunday School on this Friday in the evening. There will also be two educational films, special music and other interesting things on the program. The social committee is comprised of Mrs. Vi King, Philip Johnson and William Bradley.

The Junior High youth group with their sponsors, Mr. and Mrs. Herb Mayer, will have a special "Under the Big Top Circus Party" on Saturday from 7 to 9:30 p.m. in the church social room. All 7th and 8th graders are invited.

Sermon Here To Deal with Help for Africa

Africa's need for help will be the basis for the sermon Sunday at the Lemon Grove Methodist Church. The Rev. Jordan Detzer will utilize both the 8:30 and 11 a.m. periods to discuss African needs.

Wesley Buttermore, church member who went to the Congo last summer and was evacuated just ahead of the open fighting, will also tell of African needs.

Church school services are at 9:45 and 11 a.m. for grades 1 to 12. Nursery care is also provided.

A luncheon training program for the Every Member visitation teams will be held Sunday directly after the 11 o'clock service is completed.

'Paid For' Is Sermon Topic

Based upon I Corinthians 6:20, the third in a series of sermons at Vista La Mesa Christian, dealing with "Man's Relationship to God," will be entitled: "Paid For!"

Easter through June 11 is being observed as the time of special emphasis on The Commitment of Life, Soul, and all, in the Vista La Mesa Christian Church.

A reminder to members and all readers: The Bible book-of-the-month for May is I Samuel. If you're interested in exciting history; in the evolving of the Kingdom of Israel; if you have thrilled to the exploits of Samuel, Saul and David—Don't miss reading I Samuel.

New Member classes at 6:30 Sunday night studying the organization and operation of the Christian Church Disciples of Christ). Youth groups, under the direction of Bob Lester, Al Froehlich, Spence Danks, and others, will meet at 6:30 also.

"PRODIGAL SON" TO BE SERMON BY REV. TAYLOR

"The Prodigal Son," will be Rev. Roland Taylor's 8 and 11 a.m. text Sunday at the Spring Valley First Baptist Church. The Valley Chapelaires (men's quartet) will sing at both services. The junior choir will sing at the 8 a.m. service and the Chancel choir at the 11 a.m. service. For his 7:30 p.m. text Rev. Taylor has chosen, "The Uselessness of Barren Living."

CHRISTIAN SCIENCE TEXT FROM EZEKIEL

Man's God-given freedom from sin and temptation will be explained at Christian Science services on Sunday.

Keynoting the Lesson-Sermon on the subject "Everlasting Punishment" is the Golden Text from Ezekiel (18:30), "Repent, and turn yourselves from all your transgressions; so iniquity shall not be your ruin."

Open House Tonight

The Spring Valley Junior High School PTA reminds everyone of the school's Open House tonight beginning at 7:30 p.m. Demonstrations and exhibits will be held throughout the school. Refreshments and home made candy will be sold during the evening as a PTA ways and means project. A bake sale will also be held.

Adult Study Class Started at Trinity

Regular worship services will be held at Trinity Presbyterian Church at 9 and 10:30 a.m. on Sunday. A Study Class for adults has been organized, meeting at 9 a.m. in the lower lounge. The unit of study will be on the "Power of the Gospel," a study of the Book of Romans.

On the calendar for the week are the following meetings: Clipper Club Bible Study Monday, May 1, at 8 p.m.; Women's Assn. World Service, program and fellowship committees, 9:30 a.m. Tuesday; Session meeting 7 p.m. Tuesday, Deacons meeting 7:30 p.m. Wednesday; Chancel Choir rehearsal 7:30 p.m. Thursday, and Junior High Fellowship from 5 to 9 p.m. on Friday.

TRINITY HOLDING RUMMAGE SALE

The Woman's Association of Trinity Presbyterian Church of Spring Valley will sponsor a rummage sale from 9 a.m. to 2:30 p.m. Saturday, April 29 in Fellowship Hall, 3902 Kenwood Dr.

Mrs. Winfred Thomas and Mrs. Robert Belt are co-chairmen.

Grove Juniors Sponsoring Safety Check

A traffic safety check for the public will be held May 7. The Lemon Grove Juniors are sponsoring the event and Mrs. Lawrence Sozzani, their safety chairman, is in charge of arrangements.

The Veterans of Foreign Wars will do the actual checking of each car brought in and the juniors will give each car that "passes" a safety sticker.

This effort on the part of these organizations is to help safeguard our drivers by having their vehicles in safe working order and they will be checked out according to the specifications for such by the San Diego Traffic Safety Council.

The people of Lemon Grove and of surrounding areas are invited to insure their safety on Sunday the 7th. The service is free.

Father-Son Fishing Day To Be May 6

Mr. Lester N. Temple, Yuma Nation El Capitan Tribe YMCA Indian Guides Planning Committee Chairman announced today that the fifth annual Father-Son Fishing Day will be held May 6 at the El Capitan Reservoir. This event is an annual project of the Father-Son YMCA organization known as the Indian Guides.

Included in the derby will be many hundreds of youngsters (braves) working with the "technical" assistance of the fathers (big braves) who will be competing for fun, fish, and prizes, stated Temple. Included in the prizes will be prizes in the following categories: largest blue gill, heaviest cat fish, largest bass as well as recognition to each boy catching an "edible sized" fish. Prizes will be given each hour from 7:30 to 2:30 for each of the divisions as listed above.

The public is invited to contact their nearest YMCA as to further details and registration for the outing.

Mrs. O'Connor Passes at 83

Mrs. Katherine O'Connor, 83 of 8021 Longdale Dr., Lemon Grove, died Monday at a hospital in Santee after a long illness.

She is the grandmother of Percy E. O'Connor of Lemon Grove; Patrick O'Connor of Spring Valley and Mrs. Geraldine Duffy of Maryland. She has 13 great-grandchildren.

Presbyterians Gain 6,374 New Members

United Presbyterian congregations in the Southland gained 6,374 new members during the past year, according to figures released by Dr. O. Scott MacFarlahd, stated clerk of Los Angeles Presbytery, at local church headquarters, 1501 Wilshire Blvd.

Total membership of the 199 individual churches in Los Angeles, Orange, and San Diego Counties at the close of 1960 was 157,658. Total Sunday church school enrollment for the same period was 100,936, the church official stated.

Church finances also reached a new high during 1960, with total giving for the year listed at $14,933,140, up $1,249,516 over 1959.

As of December 31, 1960, the 199 churches had on their staff a total of 307 ministers.

Dr. MacFarland pointed out that Los Angeles Presbytery, with its more than 157,000 members, was the largest presbytery in the 3¼-million-member denomination.

Lutherans Holding Recognition Dinner To Honor Youth

The Board of Christian Education of Lemon Grove Lutheran Church is sponsoring a "Recognition Dinner" on Sunday evening at 6:30, honoring the youth of the church who have been in the High School Bible department for four years and welcoming the eighth graders into the High School Bible department. Mr. Carlos Johnson, a member of Bethesda Lutheran Church, San Diego, will be the guest speaker.

Lemon Grove Lutheran Church will inaugurate its preliminary step in setting up double Sunday School sessions on Sunday, May 7. On that Sunday, Sunday School classes will be extended to include two year olds. Classes for children ages 2, 3, 4 and 5 will be conducted during the 8:30 a.m. worship services. There will also be classes for these ages during the 9:40 a.m. Sunday School hour. Parents are requested to contact the church for further information and for enrolling their children in this age group in one of these class periods.

Mass of Angels Said for Slocum Infant

Mass of the Angels was said Monday at the Santa Sophia Catholic Church in Casa de Oro for Patricia Ann Slocum, 16 months old daughter of Mr. and Mrs. Eugene Slocum of 9353 Birch St., Spring Valley.

Patricia Ann died last week on Thursday at Grossmont hospital following a brief illness.

She is survived by three brothers and sisters; grandparents Mr. and Mrs. Fred Slocum of Spring Valley and Mr. and Mrs. Robert D. Gowdy of San Diego and great-grandparents Mr. and Mrs. John B. Dennis of San Diego.

The San Diego Transit System has received notice of its ninth National Safety Award in the past 12 years today. This is the fifth consecutive year the System has received a first or second award in this annual event.

GOD'S MINUTE

REV. H. C. BAKKEN

"RISEN CHRIST"

To help the disciples believe and understand, Jesus ate a piece of broiled fish in their presence. He could do what they had just finished doing. Though He was risen from the dead and glorified, He could still have fellowship with them. He will come into your everyday experiences and give them meaning.

Rossi To Be Speaker At Teachers' Dinner

Cal Rossi, former football great from UCLA, is the guest speaker at the annual installation dinner of the Lemon Grove District Teachers Assn. on Thursday evening, May 4, at the Lemon Grove Junior High. Rossi, who is now employed by the California Teachers Assn., will speak on current legislation as it affects schools, teachers, and students.

The dinner, a Hawaiian Luau, features south seas foods, and the cafeteria will be decorated in that theme. Mrs. Mary Louise Dawson, Mount Vernon teacher, is chairman for the event. The program includes John Orcutt, branch office coordinator for CTA, who will be master of ceremonies, and Mrs. Margaret Lemmer, CTA-SS president, who is installing officer for the ceremonies.

Taking office for the local teachers' chapter of CTA is Harry Weisgerber, president; John Gregory, first vice president; William Firtch, second vice president; Mrs. Frances Thompson, secretary; Robert Sargent, treasurer; Robert Harvey, auditor; Miss Alice Milne, CPC representative; and Jack A. Lemmer and Rick Stammerjohn, CTA representatives.

Casa de Oro Little League Plans Dance

The annual "get-acquainted" dance of the Cajon de Oro Little League is scheduled for Saturday night of this week April 29 at 131 Chambers St., El Cajon. Dancing will be from 9 p.m. 'til midnight to the music of Marvin Decker and his orchestra. Tickets for $1 donation may be purchased at the door. Proceeds from the dance will go toward the season's teams expenses.

Opening ceremonies for the Cajon de Oro Little League will be held Sunday, April 30, beginning at 1:30 p.m. on Foster Field, Fuerte Dr. and Russell Rd. The 15 teams which will play during the 1961 season—majors, minors and juniors—will be introduced at a flag raising. The six major teams will play two-inning exhibitions. The regular season will start Monday, May 1, and all games will be played at Foster Field and at one of the fields at the Spring Valley Junior High School.

Miguel Seniors Plan Banquet

Mount Miguel high school's seniors will attend their banquet, "Senior Primavera 1961," Monday, May 1 at 6:30 p.m. in the Caribbean Room of the El Cortez Hotel.

The banquet, which will feature Mr. George Scott, guest speaker, and a quartet, **The South Bay Sounds,** will be attended by mid-term and August graduates as well as currently enrolled seniors.

To be eligible to attend the banquet, seniors must attend all scheduled classes on May 1. Suggested dress for boys is coats and ties, for girls, dressy dress.

"'Senior Primavera'," remarked Karen McKinney, banquet chairman, "promises to offer a most enjoyable time for all attending."

ALLIED CRAFTSMEN TO SHOW WORK

Rebekah Lodge Meets May 3

Mesa Jewell Rebekah Lodge 409, Independent Order of Odd Fellows, will meet on Wednesday, May 3, in the Levy Building, 8263 La Mesa Blvd., at 7:30 p.m. Mrs. Paul Hoss, noble grand, will preside, assited by Mrs. Harvey Webber, vice grand.

The regular business meeting is scheduled at 7:30 p.m. Honored guests that night will be all Past District Deputy Presidents, Past Noble Grands and Past Grands.

Mrs. Pennelle Adams is general chairman and will be assisted by Mesdames Kenneth Wilke, Levi Woodley, Kenneth Marquis, Richard Odgers and Mrs. Margaret Besack, Mrs. Emma Phohl, Mrs. Edith Braley and Mr. and Mrs. Merrill Gillespie. All members of the Order are invited to attend.

Landlords Fete Trailer Court Residents Here

More than 50 persons were guests of the operators of Lemon Grove's first trailer court at a dinner at the Midway Chuck Wagon.

Mr. and Mrs. Jim Woody and Mr. and Mrs. Lee Jordan, operators of the Leewood trailer court at 7150 Broadway marked the 15th anniversary of the court by feting residents who have lived at Leewood five years or more.

Six trailerites were specially honored as 15-year residents. They are Mr. and Mrs. Charles Loper, Mr. and Mrs. Glenn Frye, Mrs. Adelaide Barnett, and Mrs. Hattie Beck.

Mrs. Woody said that 31 per cent of the occupants of the court's 85 spaces have lived there more than five years.

When the court was built 15 years ago the partners rejected an offer for them to buy the valuable corner between Leewood and Massachusetts for $10,000.

Art Club To View Color Films

Foothills Art Assn. will have a color sound film, "Making If A Mural" at their meeting on May 4 at 7:30 p.m. It will feature the work of Thomas Hart Benton, who recently did a mural depicting the history of Missouri for the Truman Memorial Library, Independence, Mo.

In addition, a Disney nature film will be shown. This is a brand new film showing plant life and underwater life and is of great beauty and should prove very worth while.

Bunnie (Mrs. A. E.) Brudno will be the exhibitor of the one-man show, and Miss Elize E. Hoelzel will be the guest exhibitor for May.

Termites travel to food sources—usually wood touching ground—through self-built runways which are completely "air-conditioned" with controlled temperatures and humidity.
